

Marksman *Duo XT*

High Resolution InkJet Printing

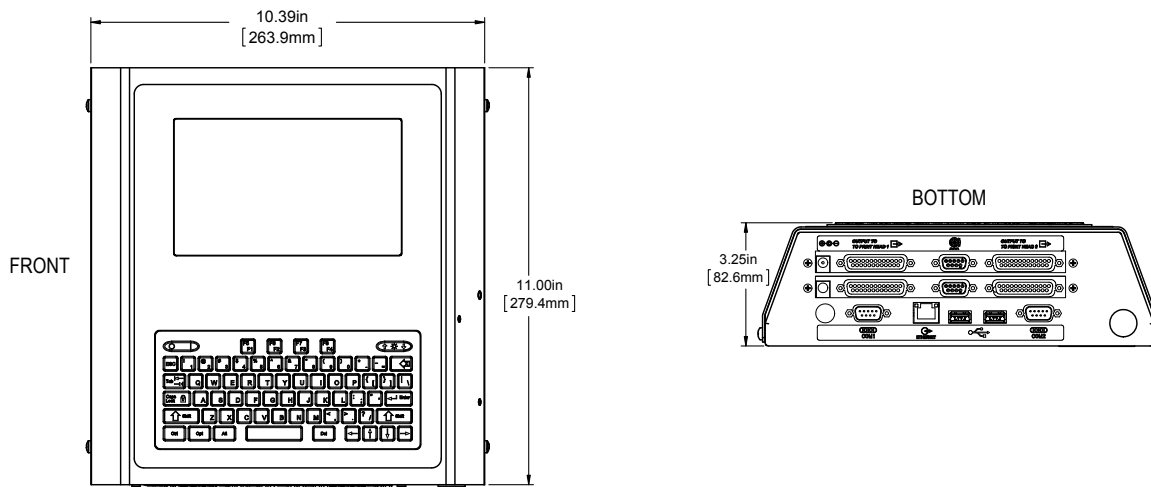

Features and Benefits:

- Porous printing** on substrates such as shipping containers with the ProSeries 384 or 768 printhead.
- Non-porous printing** on substrates such as coated and decorative cartons with the ProSeries NP384 printhead.
- Color touch screen** – 7” color graphical user interface guides users easily through menu functions.
- Stainless steel enclosure** provides maximum reliability in harsh environments.
- Environmentally sealed** with no moving parts on the inside eliminating the need to clean filters and provides a protected environment for the internal electronics.
- Dual production line support** allows the Marksman Duo XT to independently control two production lines from the same user interface.
- I/O board interface card option** allows for connection to external system devices for automation and control logics.

Dimensions:

Controller Specifications:

Touch Screen Display	7” Color Screen	Logos	Bitmap Images
Operator Interface	Graphical User Interface, WYSIWYG Editor	Fonts	Arial Standard, TrueType Available
QWERTY Keypad	Sealed Elastomeric	Windows PC GUI Software	Graphical User Interface, WYSIWYG Editor
Enclosure	Stainless Steel, Environmentally Sealed	Dual Line Support	Yes
Memory	128MB for Unlimited Message Storage	Direct Interface	Serial or Ethernet Protocol
Connectivity	1 – Ethernet, 2 – USB, 2 – RS232	Number of Printheads	ProSeries 384 up to 4 ProSeries 768 up to 2 ProSeries NP384 up to 4
I/O Interface	I/O Board Option		
Auto Codes	Time, Date, Use By, Julian, Count, User Defined Shifts, Variable Input		
Bar Codes	UPC, GTIN, I2of5, 128, Code 39, EAN, UCC, 2D Data Matrix		

Distributor Information:

Delaware Valley Packaging Group is an authorized full servicing distributor of the complete line of FoxJet systems.
