Case sealers for uniform case sizes

T-10 case sealer for the hard job

Top and bottom closure.
Very sturdy case sealer for round-the-clock applications and high requirements.

Also available in stainless steel, e.g. for the food industry where machines are required that are easy to clean and maintain in order to meet the increasing demand for hygiene.

Basic models

T-10 and T-10 Maxi (see table). Both models are available with extra high pillars. T-10 Maxi is especially suitable in industries where large cases are handled. In its standard version, the T-10 Maxi is fitted with a 3" dispenser with 2 3/4" tape overlap.

- Easy to adjust for different case sizes.
- Easy tape and dispenser replacement.
- Strong and compact design.
- Easy to maintain with low maintenance and spare parts costs.
- Electro-galvanised or stainless steel finish.
